

FITTING INSTRUCTIONS FOR R&G LICENCE PLATE HANGER SUZUKI GSXR1000K5 (part code LP0012BK)

- Remove upper rear seat cowl
- Disconnect number plate light loom
- Using a 10mm socket and ratchet, carefully loosen all four hex head set screws, securing current tail assembly
- With all tension removed, continue to unscrew the four screws, whilst supporting assembly with your free hand
- You can now lower the assembly with only the loom in contact with the bike
- Using the original set screws, raise the new R&G tail tidy into position and insert and start each fixing by hand first, to prevent any cross threading
- Once happy that all four fixings are successfully started, continue to tighten them all equally
- Tighten all four firmly but do not overtighten, or damage to the licence plate hanger or the bike will result
- Pass licence plate illuminator wire up through the R&G unit and connect in place of the original
- With the tail tidy now in position you can fit up with your choice of accessories. The R&G loom should be carefully routed through the hole provided
- Connect loom and replace upper rear seat cowl to complete the task

CONSUMER NOTICE

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.
